# TRANSFERS

Our airport shuttle service offers seamless transition from small passenger vehicles to mini buses, ensuring smooth journeys for our clients. It is the easiest, most cost effective and comfortable way to transfer from Cape Town International Airport to the conference hotels.

With well qualified Drivers at the helm and efficient Transport Managers overseeing operations, we prioritize safety, punctuality and customer satisfaction.

Our vehicles are meticulously maintained and equipped with modern amenities to guarantee comfort and convenience throughout the transfer.

Operating 24 hours a day, we cater to the diverse needs of our clientele, whether it is for airport transfers, corporate events or leisure travel.

Upon arrival at the airport, you will collect your bags from the baggage carousel (if arriving from an international flight you will clear Customs & Immigration before collecting your bags), and then proceed to the Arrivals Hall. As you exit the Hall you will be met and assisted by a professionally-presented driver who will have signage bearing your name. The driver will then accompany you to the vehicle for transfer to your hotel.

Trust us to deliver excellence in every aspect of your transportation needs!

Rates: R 650.00 per transfer
